

REMARKS

This communication is filed in response to the Notice of Non-Compliant Amendment mailed February 28, 2007. Claims 1-106 are pending in the application. Claims 1-73 and 81 have been canceled without prejudice. Claims 84, 86, 92, 98, and 100 have been amended in the previously filed response. No new claims have been added. Applicant respectfully submits that the remarks accompanying this amendment should be constructed as being submitted merely to clarify the invention rather than as a limitation submitted to overcome a cited reference.

In the Notice of Non-Compliant Amendment, the Examiner stated that the complete listing of claims was not present. In response, a listing of the claims is being submitted herewith to correct the previous non-compliant listing. The submitted listing of claims includes the notice that Claims 1-73 were canceled. In accordance with the Notice, only the corrected section (*i.e.*, the listing of claims) of the non-compliant amendment is being submitted.

No fee is believed to be due in connection with this submission as it is being timely filed within one month of the mailing of the above-referenced Notice. However, if a fee is due, the Commissioner is authorized to charge any such fee, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully submitted,
